Remote Learning Tomorrow, Friday, June 9 for all Classes 3K through Grade 8

June 8, 2023

Dear Parents and Guardians,

The poor air quality condition is still present in our area and is predicted to continue through part of the weekend. Therefore, we will again go to **remote learning** tomorrow, Friday, June 9 for **all grades**.

Please check your child’s Google Classroom for assignments and teacher postings, as well as information regarding the air quality situation. That information will also be updated on our Academy Website.

The safety of our students and staff are of utmost importance to us, and this decision is made with that in mind. We continue to coordinate closely with NYCEM, the Department of Health and Mental Hygiene, and other city agencies on the air quality situation and its implications, and we will continue to alert you as circumstances change.

Let’s continue to pray together that this situation improves very shortly with minimum impact on our community’s well-being.

If you have any questions, please don’t hesitate to contact us.

Sincerely,

Theresa Picciano
Principal
